On skirt mounting cloth 210 are preferably positioned broom fastener 222 to replace broom support 202, upper shovel fastener 224 to replace upper shovel support 204.--

On Page 23, please replace the Abstract of the Disclosure, with:

ABSTRACT OF THE DISCLOSURE

A cleanup device includes a dolly and a waste container and tools, which provides for storage of the cleaning material therein and a releasable wheel lock to position the dolly, and hence the cleanup device, at a desired site. The waste container fits on the dolly and supports the tools. Cleaning material may be stored in the dolly for use at a cleanup site, to which the cleanup device may be easily moved.
